Text for poem is below.

I am resilience,
Powerful,
Alive,
Thriving,
Learning,
Seen,
Soft,
Forgiving,
Growing,
Loving,
Healing,
Magic,
Loved,
Ready,
My ancestors,
Full of undeniable, indefinable, gender-liberated brilliance.

We are on the path to a queer- and trans-liberated future
A future we determine,
A future we design.
Creating a space where we can breathe for the first time.
